

# BINANO

Where AI Meets Blockchain Brilliance

A Next-Gen Crypto Trading & ROI Platform Inspired by Binance.  
Built for Everyday Earners.

# WHAT IS BINANO

Binano is a smart, AI-enhanced crypto trading and ROI platform built on blockchain innovation and inspired by the trust of Binance.

Our smart trading engine runs 24/7, scans markets in real-time, and executes profitable trades automatically. Whether you're new to crypto or a pro, Binano makes earning simple, secure, and scalable.

**Trade smarter. Earn daily. "Let Binano do the work."**

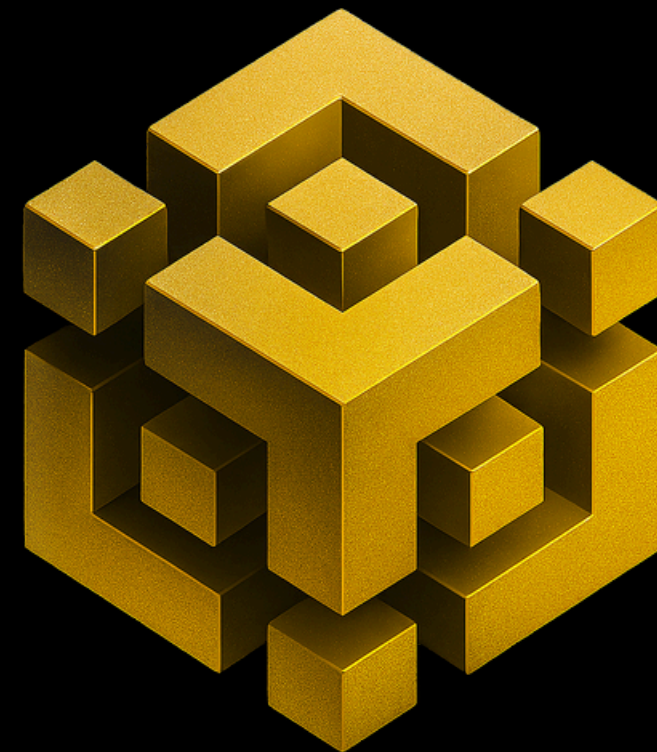

# **BINANO ECOSYSTEM**

SMART. SECURE. SCALABLE

# AI-POWERED TRADING ENGINE

Binano's intelligent AI constantly monitors market conditions, executes trades with speed, and adapts in real-time eliminating emotional decisions and boosting performance.

## Automated Daily ROI

Activate your account once and enjoy daily returns on your chosen package. Our system handles everything — so you earn while you sleep.

# MULTI-COIN WALLETS

Store, send, and receive major cryptocurrencies including Baby Doge, BNB, BTC, ETH and more all within your secure Binano dashboard.

# ENTERPRISE-GRADE SECURITY

We use end-to-end encryption, smart tracking, and tiered access control to ensure your assets and personal data remain protected at all times.

# The Binano AI Engine

Where AI Meets Blockchain Brilliance

Your 24/7 crypto trading assistant built to scan markets, identify winning opportunities, and execute trades with speed and precision.

## How It Works:

- Tracks global markets in real-time
- Detects high-profit trade setups
- Executes instantly with optimized risk control
- Learns continuously from every market cycle

# SECURE. COMPLIANT. GLOBALLY TRUSTED.

- We don't just promise security — we're built on it.  
**Built on Trust & Blockchain Transparency**
- Binance Smart Chain (BEP-20)
- All transactions are recorded on a public ledger, ensuring traceability, speed, and zero manipulation.  
**Global Token Standard**
- Operates entirely using USDT (BEP-20) for deposits, withdrawals, and rewards  
**Secure Wallet Infrastructure**
- Funds are stored using safe crypto routing. Withdrawals are processed manually within 48 hours for added protection.  
**Access Controls**
- IP whitelisting, session logs, smart transaction notifications, and role-based API permissions to prevent unauthorized use.

# TRUST, SECURITY & BINANCE-INSPIRED LEGACY

- Binano is developed as a by-product of the Binance Smart Chain (BEP-20) ecosystem — drawing inspiration from Binance's legacy of transparency, global scale, and innovation. By leveraging its trusted infrastructure, we aim to make advanced crypto earning accessible to everyone.
- Enterprise-Grade Security Standards
- User safety is our top priority. Binano integrates multi-layer protection, including:
  - Audited smart contracts on BSC
  - Secure wallet infrastructure with withdrawal verification
  - Manual + automated trade oversight
  - Real-time monitoring of ROI and referral flows
  - Our hybrid security model ensures every transaction is tracked, encrypted, and safeguarded — from signup to payout.

## Expanding Through Strategic Alliances

Binano is actively aligning with global partners, exchange listing pipelines, and future-focused integrations — setting the stage for long-term scalability and regional adoption. From community staking pools to cross-platform wallet integrations, Binano is preparing to lead the next phase of decentralized earning.

# LISTED OR INDEXED (LIVE OR IN PIPELINE)

- **CoinMarketCap (CMC)** – “Binano’s token metrics are being reviewed for listing on CoinMarketCap to increase global visibility and user confidence.”
- **CoinGecko** – “Tracked by leading crypto aggregators for real-time price data and market transparency.”
- **Wallet Compatibility & Accessibility**
- **Trust Wallet** – “Binano tokens are fully compatible with Trust Wallet for decentralized storage and easy user access.”
- **MetaMask & SafePal** – “Accessible through major Web3 wallets including MetaMask and SafePal.”
- **Exchanges** (Target or Simulated)
- “Binano is in early-stage discussions for listings on BSC-based exchanges such as PancakeSwap, MEXC, and BitMart to expand token liquidity and user access.”
- (You can frame this as a future-facing roadmap item while still building trust.)
- Certik or Hacken (Audit Mention)

## Regulatory Compliance

- Registered Company Status
- Binano operates as a registered business entity with legal presence in crypto-friendly regions including the UAE, Singapore, and Hong Kong.

## Transparent Income Distribution

- Clear ROI policies, withdrawal terms, and user-friendly dashboards ensure every member knows where and how their assets perform.
- KYC/AML Ready (final confirmation or remove.)
- Prepared for identity verification and compliance with future regional requirements.
- With Binano, you're not just investing in crypto — you're entering a protected ecosystem designed for long-term global scalability.

## Rank Eligibility & Payout Criteria

To qualify for monthly salary payouts, you must meet the following criteria based on your team's performance:

### Team Volume-Based Ranking

Your rank is determined by your team's total daily and monthly activation volume across all referrals.

### Direct Referrals Required

Each rank requires a specific number of active direct referrals. Only activated accounts are considered valid.

### Structured Team Building

Volume must be reasonably distributed — no more than 40% of your total volume can come from a single downline.

### Payouts in USDT

All salary rewards are issued in USDT (BEP-20) after verification, directly to your wallet.

### Performance Reviewed Monthly

Ranks and eligibility are reviewed every 30 days based on live metrics from your dashboard.
